Dear Mrs. & Mr. Brown, whether Gladys & Nora

How can you see? as for myself I am well and enjoying
my usual good old action. I must say the school has
got shipping back but by a long way, but so far as the
purse for my dear proper Chipman, please. Although
I am as satisfied with the step I made in leaving
you when Gladys up here and P.D. is no longer in it.

The weather is so cold as it is when I just arrived
but it is very pleasant. It was so nice last night that
I sat on the steps outside for a long time, just a
touch, without feeling the slightest cold. When I arrived
all night. We have had some here like the weather P.D.

I have 15 in attendance. I had lunch for 2 big
parrots. Every Friday I go on to my aunt's and
during the week I stay at my cousin's, just across
the road from the school.

I hope Gladys has got rid of that awful cough. And
dear Nora, how is she? Special regards to Mr. B. & Mrs.
Love to Mrs. B. and Gladys & Nora, fondly, Mrs. Smith.
